TFS / LFS DEALER 800 NUMBER																
Dealer Connection Toll Free Number: 1 (800) 253-9332																
Hours of Operation: 6am to 6pm (MST) Monday - Friday																
IMPORTANT INFORMATION TO HAVE AVAILABLE PRIOR TO CONTACTING THE DEALER CONNECTION																
<p>* In order for us to release customer account information, you must authenticate with two pieces of information - your dealer number and one of the following: customers SSN or TIN, last 8 of VIN #, or customer Acct #.</p> <p>* In order to reach the Dealer Connection team you must enter in your dealer code number. If you do not enter in your dealer code number, the call will be transferred to Customer Service. This is to ensure only TFS/LFS dealerships reach the Dealer Connection team.</p> <p>* Please note: Authentication is a legal requirement to access information on any customer account.</p>																
THE ROLE OF THE DEALER CONNECTION INTERACTIVE VOICE RESPONSE (IVR) SYSTEM																
<p>* The IVR can quickly provide payoff, payment amounts due and recieved, as well as mailing and payoff instructions to you. The IVR is available 24x7 for all self service options.</p> <p>* Additionally, the IVR is the technology that will automatically prioritize and route your call to the team that is best skilled to resolve your call, based on the customers account status - Inventory Control, Collections, Loyalty, or the Dealer Connection Customer Service Team. (requires authentication)</p> <p>* Note, the IVR self service and call routing functions require authentication. If you choose not to enter the authentication tokens into the IVR, your call will be routed to the general Customer Service group at a lower priority, and the CSR will manually authenticate your call..</p> <p>* The 800-253-9332 number is dedicated for dealers only. Customers will not be able to access information on this number.</p> <p>* TFS/LFS customers must be directed to the General Customer Service number (Toyota: 800-874-8822, Lexus: 800-874-7050).</p> <p>* If you have <u>multiple accounts</u>: After you complete your transaction on the first account, you can select Option 7 from the main menu, which will then allow you to access the next account without having to make a new call.</p>
